

Our Story Founded in Bali Indonesia in 1993, JAMU Asian Spa Rituals blends exotic, organic ingredients and celebrates traditions to create a cross-cultural spa experience. Bring Asia and tropical spa experiences home with JAMU, available only in selected spas, retreats and retail boutiques world wide, or visit www.jamuspa.com.

Our Products Nourish the skin and soul with organic body care. The literal translation of JAMU is "herbal healing" expressed with authentic Asian, herbal and organic home spa products. JAMU offers cultural luxury as a boutique range of tropical spa products for simple and exotic rituals at spa or at home. JAMU product line includes: Asian Gift Collection, Organic Massage Oils, Hand & Body Lotion, Bath & Shower Gel, Body, Hand & Foot Scrub and Bath Salts.

Bali Flowers To the Balinese, flowers connect us to the spirit world. Bali Flowers calming effect transcends you to the sacred temples of Bali, Indonesia.

Bali Flowers - 101

Coconilla - 107

Coconilla Traditionally, rich and sweet Java Coffee "Kopi" stimulates the body, and used externally, stimulates the skin with caffeine. Recharge with this beach-in-a-bottle, infused with light coconut and vanilla perfume notes for tropical body care.

Ginger Spice This Balinese rice farmer's ancient remedy includes ginger and spices which are traditionally used to relieve aching joints and headaches. Indonesian ginger enhances blood circulation and stimulates digestion.

Ginger Spice - 103

Island Fruits In the Balinese tradition, the more beautiful and fragrant an offering, the higher a prayer carries to its intention. Add positive energy to your day with citrus fruits, which symbolize the sweetness of life.

Island Fruits - 102

Jasmine Frangipani This 17th century palace ritual from Central Java, Indonesia, inspires love. Traditionally used for 40 days, given to the bride-to-be by other women in the family as a way of handing down knowledge. Aphrodisiac jasmine and frangipani delicately sweeten and perfume the skin.

Jasmine Frangipani - 104

Thai Lemongrass is traditionally used internally to detoxify the liver, and externally as skin astringent. Transcend to Thailand, with refreshing and detoxifying lemongrass, inspired by Thai herbal healing.
